

MICHAEL FOLTZ

OWNER/ OPERATOR

As the owner / operator of Reisen Arizona, LLC I strive to give the most exceptional tours of Southern Arizona and beyond. As a native Tucsonan I will provide you and your family with a tour that is interesting, educational and filled with local insight/ perspective.

Reisen Arizona Day Tours can accommodate up to twelve guests. This makes my tours much more intimate and personalized. This may not be the case on a bus that holds fifty or more guests. I pay just as much attention to a single guest as I do to a tour with twelve guests.

All of my tours can be customized. If you want to go somewhere that is not on my list, please call me to see what can be arranged.

As your tour guide I make sure to get to know people in every destination that we visit. More often than not you will hear "Hey, Michael, how are you?" on your tour. Several places have made it a point to make sure that my guests get the best possible service offered because of my frequent trips to these destinations.

It is my goal to make your visit to Tucson a time that you will not forget.

Happy traveling from the Reisen Arizona family!!!
